FL6200-SW
Floor Level Palletizer

The FL6200-SW combines high-speed stretch wrap with a contemporary, modular and clean design palletizer that is extremely user friendly. The integrated stretch wrapper helps when load stability or when space constraints are an issue. The FL6200-SW can simultaneously stack and stretch wrap a wide variety of challenging package types including unwrapped trays,shrink pads, film-only bundles and more. With the incorporation of servo technology, high-speed turntable and high speed stretch wrapper speeds up to 100 cases per minute are achieved.
Features

- » Comprehensive Guard Package
