

FL1000-SW

Floor Level Palletizer

The FL1000-SW combines a rugged, heavy-duty small footprint palletizer with the added functionality of a fully integrated, industry proven stretch wrapper. The FL1000-SW can simultaneously stack and stretch wrap a wide variety of package types, including cases, trays, totes, film only and display packs from a variety of industries. The FL1000-SW palletizes 10 cases per minute or more, depending on case size and pallet pattern.
